It is spring. Mice wear
sweaters and pants trees
get blossoms. In spring
the earth doesn't tilt
toward or away from
the sun. It is fun
to fly kites in spring.

It is summer. We
wear shorts and t-shirts.
Trees get leaves. In sum-
mer the earth tilts to-
ward the sun. It is fun
to jump rope in the
summer.

It is fall. Kids wear
pants and light jackets.
They wear aprons. After a
frost the leaves turn
different colors and fall
off. In fall the earth
doesn't tilt toward or
away from the sun.
It is fun to jump in
leaf piles.

It is winter. Mice wear
snowpants and winter
jackets. Trees are bare.
In winter the earth
tilts away from the sun.
It is fun to skate in the
winter.
