

Tiny squirrels skittered
up the oak tree. All at once
a quack broke out in
the branches. Ch! Ch! Ch!
Snatching the acorn from
his friend, the two scuffle.
Above them loomed a dark
shadow! Sssss! Mr. Snake
scattered the pair!

😊 Well done Jenna!

Dear Mom,

I would be happy for you to use my
school writing projects as exemplars in
your work.
