

# Baby Kangaroo's Great Adventure by a grade one student

Written permission has been granted by the author,  
a grade one student, to share this story with you.

Baby Kangaroo's Great Adventure is a character switch story pattern. It was written from the lessons in the book Animal Baby Switch Story Writing by JoAnne Moore. This student chose alternate characters for her story.

Once upon a time there lived  
a mommy kangaroo and a baby  
kangaroo named Kelly one day  
they went for a walk.  
stay close said her mother  
but Kelly went to explore  
the world instead. At the  
same time in Australia there  
lived a mommy koala and her

baby. Mommy said time for  
bed. So they went to bed.  
The mommy koala tucked her  
in the pouch. In the middle  
of the night the baby koala  
rolled out of the pouch. It  
landed in the grass and  
went to explore the world.  
While the mother kangaroo was  
searching for her baby she  
felt something tickle her tail.  
she found a baby koala.  
The baby koala jumped in

to the pouch so the mom went back to look for her baby. Then the baby Koala started to tickle her. They cut that out! giggled the mommy kangaroo. While the second mother was searching for her baby koala she heard a bouncing noise. she saw a baby kangaroo. seeing the baby kangaroo was lost she decided to take care of it

The baby kangaroo drove the mother koala crazy because it kept jumping on her head when it got excited. All of a sudden the baby koala yelled. Then Smack! the mommy kangaroo bumped into the mommy koala. The baby koala tumbled into its mothers arms. The baby kangaroo landed right in its mother pouch. Then both mothers

and baby's hugged and kissed for ten hours. Then they lived happily ever after the end.
